MYSORE DISTRICT.

Notification, dated 1st February 1935.

Sealed tenders are invited for carting of timber from the State Forest Coupes of Chamarajanagar Range in the Chamarajanagar Sub-Division of the Mysore District, as noted in the annexed schedule, to the depots as noted in the subsequent paras and in the schedule.

2. The tenders should be addressed to the District Forest Officer, Mysore District, so as to reach him on or before 1st March 1935, at 12 noon. Any tender received after the abovementioned date will not be taken notice of.

3. Each tender should be accompanied by an earnest money of Rs. 50 in currency notes and should be registered, insured and superscribed "Tender for carting timber."

4. The right of accepting or rejecting any tender is vested in the Chief Conservator of Forests who is not bound to assign any reason for accepting or rejecting the highest or lowes tender. The rate to be offered should be per cubic foot and for each depot. The successful tenderer or tenderers are required to enter into an agreement with the District Forest Officer, within a week of the intimation given to him or them binding to observe the following conditions, in default of which, the contract is liable to be cancelled and the earnest money forfeited to Government.

5. In fulfilment of the terms of the contract, he or they shall deposit in the Government Savings Bank a sum of rupees two hundred (Rs. 200) in the name of the District Forest Officer. The amount is liable to be forfeited to Government for the breach of any or all the conditions of the agreement and the contract cancelled.

6. The earnest money of the successful tenderer or tenderers will be retained towards a portion of the security for the fulfilment of the terms of the contract after the bond is executed and of others will be returned to the parties concerned.

7. The appended schedule shows the quantities of timber in each coupe.

Conditions.

(*a*) All good and sound timber of coupes passed by the respective Range Officers should be carted to the Depots as noted in the schedule given below :—

(*b*) The contract is for a period of one year from the date of sanction to the end of February 1936.

(*c*) The minimum quantities to be carted to depots by the contractor will be as follows :—

One-fourth of the contracted quantity by the end of April 1935, one-half of the contracted quantity by the end of June 1935, and the remaining by the end of December 1935. Failure on the part of the contractor to cart the timber as noted above entails the forfeiture of the whole, or such portion of the security, as the District Forest Officer may deem fit. If the carting work of the contractor is slack and that in the opinion of the District Forest Officer the contractor is not likely to discharge his obligations, the District Forest Officer will at once cancel the contract, forfeit the security and make other arrangements for the carting of timber.

(*d*) No timber should be removed from the forest without obtaining a pass-port from the Forest Range Officer or such other forest subordinate duly authorised by him.

(*e*) All timber for which pass-ports have been obtained should be delivered in the depot, at the latest, within one month of the issue of such passes. Any timber not reaching the depot within the above period will be treated as lost, and the value thereof will be recovered at the depot rates from the contractor from the amount of the next bill due to him.

(*f*) In the matter of consigning different kinds of timber from time to time, the contractor shall abide by the instructions of the Range Officer.

(*g*) The contractor during the currency of his contract shall not take up any other similar contract.

(*h*) The Range Officer at the beginning of each period mentioned in clause (*c*) will inform, in writing, the contractor the quantity of timber available for carting.

(*i*) The contractor shall abide by the rules of the Department as regards kindling of the fires and hold himself responsible for any offence committed by him or his agent, employees or cartmen.

(*j*) The security furnished will be returned to the contractor three months after the expiry of the contract period if the whole or any portion of it is not forfeited to Government by the violation of any of the terms of the contract as also satisfying that no timber is outstanding against the contractor.

Conditions.

1. Each bidder shall place a deposit of Rs. 200 with the officer conducting the sale but defaulters to the department will not be allowed to bid at the sales.

In the case of purchasers not exceeding Rs. 200 in value, this initial deposit of Rs. 200 need not be insisted upon, provided that the full purchase money is paid in cash on the spot.

2. Any person bidding at the sale may be required by the officer conducting the sale to state whether he is bidding on his own behalf or as an agent, and in the latter case, to produce a written authority duly signed by the principal.

3. Subject to the minima prices fixed in each case by the Chief Conservator of Forests (which will not be divulged), the highest bidder shall ordinarily be the purchaser, but the officer conducting the sale can reject any bid or stop the sale at any stage without assigning any reason to the intending purchasers; should any lot be disputed, it shall again be put up and sold.

4. Immediately after the lot is knocked down to him, the successful bidder shall sign his name opposite the number and specification of the lot bought by him in a book provided for the purpose. Such signature shall be held as admission on his part of having bought such lot and of having accepted the terms of the sale as herein specified. All sales of which the amount exceeds Rs. 1,000 in each case are subject to the confirmation of the Chief Conservator, and in other cases to that of the District Forest Officer, subject to the following conditions:—

(1) That the rate realised in a sale does not fall short of the average of the three previous sales by more than 5 per cent or is more than that realised at the previous sales.

(2) That the power of confirming sales up to the limit of Rs. 1,000 shall be exercised only in the case of timber.

(3) That the confirmation of sales is ordered by the District Forest Officers only after the payment of the full purchase money.

5. After conclusion of the sale, each purchaser will be furnished with a memo, showing the total value and the purchase made by him. Thereupon, each purchaser shall pay 10 per cent of the amount in cash to the officer conducting the sale and obtain in return from him a receipt vouching for the payment of the one-tenth value as well as the initial deposit of Rs. 200. Should any purchaser fail to comply with this rule, the initial deposit of Rs. 200 shall at once be forfeited to Government and the officer conducting the sale shall be at liberty to resell the timber purchased by such defaulter who shall be required to make good any loss, but shall not participate in any profit from such resale. The amount due by such defaulter on account of loss from resale shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

In cases of resales for default of payment of value where no bidders are forthcoming, it will be open to the District Forest Officer to fix such price as may appear to him to be reasonable and to proceed for the recovery from the defaulter of the balance, if any, after deducting the price so fixed from the original sale amount. A registered notice should be issued to the defaulter intimating the price fixed by the District Forest Officer for the unsold wood and the amount still due from him which will be recovered as arrears of land revenue.

6. The deposits tendered by the unsuccessful bidders shall be returned immediately after the sales are concluded, those of the successful bidders being lodged in the Savings Bank as security deposit.

7. The full value of all timber purchased shall be paid for within 30 days after the date of sale or within 15 days after the date of the notice of confirmation of the sale, whichever is later. In case of purchasers of above Rs. 1,000 in value, the purchaser shall be permitted to pay up the balance in instalments of not less than Rs. 1,000 provided the full value is paid not later than the 15th May 1935. The money shall be paid into such treasury as the District Forest Officer may direct within the time specified.

8. If the amount is not fully paid for by the purchaser before the dates fixed above, the initial deposit as well as the other moneys already paid in shall be forfeited to Government and all or any portion of the timber not fully paid for shall be resold at the risk of the purchaser in the manner prescribed for default of payment of one-tenth value in clause 5 *supra*. Interest at 9 per cent per annum will be levied on all arrears of amounts which are permitted to be paid after the due date.

9. No timber lot shall be permitted to be removed by the purchaser unless it has been paid for in full, calculated at the rates at which the timber is knocked down to him at the time of sale, excluding the 10 per cent deposit paid for the lot at the time of the sale and no timber shall be removed from the depot, unless a permit is obtained from the Forest Officer in charge of the depot. The earnest money will not be adjusted towards the value of timber until 90 per cent of the purchase money over and above the security deposit has been paid.

10. Timber purchased should be removed as early as possible, and in no case should it be allowed to remain longer than 90 days after the dates fixed in clause 7 *supra*. Timber not removed after purchase will remain in the depot at the risk of the purchaser from the date of the confirmation of the sale.

11. If the timber is not removed within the time allowed, the same may, after ten days' notice to the purchaser, be sold in public auction and the proceeds will be given to the purchaser after defraying all the expenses in connection with the resale.

12. The deposit of Rs. 200 will remain as security for the due fulfilment of all and every one of the terms of sale, on the breach of any of which by the purchaser, the District Forest Officer shall be entitled to forfeit the deposit in whole or in part and in the event of such forfeiture, the sum so forfeited shall be immediately made good by the purchaser so long as the transaction is not finally closed. The security deposit or the balance thereof, if any, shall be returned to the purchaser after the full value of timber purchased has been paid for and the timber fully removed.

Notification dated 6th February 1935.

The undermentioned quantities of timber will be sold by the District Forest Officer, Mysore District, or any other Officer authorised by the District Forest Officer, at 9 A.M. to 11 A.M. and 3 to 5 P.M. on the dates noted against each Depot under the following conditions :—
